Crawley Submission draft Local Plan Representation

Please return your completed representation form to Crawley Borough Council
by 5pm on 2 March 2020.

Representations can be made via this form and emailed to forward.planning@crawley.gov.uk or sent via post to: Local Plan Consultation, Strategic Planning, Crawley Borough Council, Town Hall, The Boulevard, Crawley, RH10 1UZ. Alternatively, representations can be made online using the [eform](#) which allows attachments of documents.

This form has two parts:

PART A – Personal details

By law, representations cannot be made anonymously. All representations will be published alongside your name, company name (if applicable), and your client's name/company (if applicable). The Council will use the information you submit to assist with formulating planning policy.

Further information about Data Protection Rights in line with the provisions of the General Data Protection Regulations and Data Protection Act 2018, for example, how to contact the Data Protection Officer, how long information is held or how we process your personal information can be found at www.crawley.gov.uk/privacy. Specific reference to the Local Plan and planning policy related public consultation can be found on: www.crawley.gov.uk/pw/web/PUB351893

PART B – Your representation

Please fill in a separate sheet for each representation you wish to make. You may submit multiple "PART B" sections with a single "PART A" completed.

PART A – Personal details

Please ensure that you complete all fields in 1. If a planning agent is appointed, please enter the Title, Name and Organisation in 1, and complete the full contact details of the agent in 2.

1. Personal details

Title:	<input type="text"/>
First name:	<input type="text"/>
Surname:	<input type="text"/>
Organisation:	<input type="text" value="Thames Water Utilities Limited"/>
Address line 1:	<input type="text" value="Clearwater Court,"/>

2. Agent's details

<input type="text"/>

Address line 2: Vastern Road,
Town/city: Reading, Berkshire,
Postcode: RG1 8DB
Telephone: 0118 952 0500
Email: ThamesWaterPlanningPolicy@savills.com

PART B – Your representation

3. Please tick the document that you would like to make a representation on:

- Crawley submission Local Plan
- Crawley submission Local Plan Map
- Crawley submission Sustainability Appraisal
- Habitats Regulation Assessment Screening Report

4. Which part of the Local Plan does this representation relate to?

Paragraph: 8.10 Policy: IN1: Infrastructure Provision Other:

5. Do you consider the Local Plan to be: (Please tick)

- 5.1. Legally compliant? Yes No
- 5.2. Sound? Yes No
- 5.3. Compliant with the duty to co-operate? Yes No

6. Please give details explaining your response to 5.1, 5.2, or 5.3 below. Please be as clear as possible.

As you will be aware, Thames Water are the statutory sewerage undertaker for the Borough.

We support Policy IN1 and paragraph 8.10 in principle, but consider that there should be specific mention in the Policy to wastewater/sewerage infrastructure, similar to the separate policy IN3 on telecommunications.

Thames Water seeks to co-operate and maintain a good working relationship with local planning authorities in its area and to provide the support they need with regards to the provision of water supply and sewerage/wastewater treatment infrastructure.

Water and wastewater infrastructure is essential to any development. Failure to ensure that any required upgrades to the infrastructure network are delivered alongside development could result in adverse impacts in the form of internal and external sewer flooding and pollution of land and water courses and/or low water pressure.

A key sustainability objective for the preparation of Local Plans and Neighbourhood Plans should be for new development to be co-ordinated with the infrastructure it demands and to take into account the capacity of existing infrastructure. Paragraph 20 of the revised National Planning Policy Framework (NPPF), February 2019, states: “Strategic policies should set out an overall strategy for the pattern, scale and quality of development, and make sufficient provision for... infrastructure for waste management, water supply, wastewater...”

Paragraph 28 relates to non-strategic policies and states: “Non-strategic policies should be used by local planning authorities and communities to set out more detailed policies for specific areas, neighbourhoods or types of development. This can include allocating sites, the provision of infrastructure...”

Paragraph 26 of the revised NPPF goes on to state: “Effective and on-going joint working between strategic policy-making authorities and relevant bodies is integral to the production of a positively prepared and justified strategy. In particular, joint working should help to determine where additional infrastructure is necessary...”

The web based National Planning Practice Guidance (NPPG) includes a section on ‘water supply, wastewater and water quality’ and sets out that Local Plans should be the focus for ensuring that investment plans of water and sewerage/wastewater companies align with development needs. The introduction to this section also sets out that “Adequate water and wastewater infrastructure is needed to support sustainable development” (Paragraph: 001, Reference ID: 34-001-20140306).

If required, please continue your response on an additional piece of paper and securely attach it to this response

- 7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.**

Addition to Policy IN1: “The Local Planning Authority will seek to ensure that there is adequate water and wastewater/sewerage infrastructure to serve all new developments. Developers are encouraged to contact the water/waste water company as early as possible to discuss their development proposals and intended delivery programme to assist with identifying any potential water and wastewater network reinforcement requirements. Where there is a capacity constraint the Local Planning Authority will, where appropriate, apply phasing conditions to any approval to ensure that any necessary infrastructure upgrades are delivered ahead of the occupation of the relevant phase of development.”

It would also be helpful to amend the supporting paragraph 8.10 to refer to the Thames Water free Pre-Planning service which confirms if capacity exists to serve the development or if upgrades are required for potable water, waste water and surface water requirements. Details on Thames Water’s free pre planning service are available at:

<https://www.thameswater.co.uk/preplanning>

If required, please continue your response on an additional piece of paper and securely attach it to this response

*Your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations. **After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues s/he identifies for examination.***

8. If your representation is seeking a modification, do you consider it necessary to participate in the public examination hearings? (Please tick)

No, I do not wish to participate in the examination hearings

Yes, I wish to participate in the examination hearings

9. If you wish to participate in the public examination hearings, please outline why you consider this to be necessary:

The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the public examination.

If you would like to make a representation on another policy or part of the Local Plan then please complete a separate PART B section of the form or securely attach an additional piece of paper. Copies of the representation form can also be downloaded from the council's website at: www.crawley.gov.uk/crawley2035

PART B – Your representation

Please fill in a separate sheet for each representation you wish to make. You may submit multiple "PART B" sections with a single "PART A" completed.

PART A – Personal details

Please ensure that you complete all fields in 1. If a planning agent is appointed, please enter the Title, Name and Organisation in 1, and complete the full contact details of the agent in 2.

1. Personal details

Title:	<input type="text"/>
First name:	<input type="text"/>
Surname:	<input type="text"/>
Organisation:	<input type="text" value="Thames Water Utilities Limited"/>
Address line 1:	<input type="text" value="Clearwater Court,"/>

2. Agent's details

<input type="text"/>

Address line 2: Vastern Road,

Town/city: Reading, Berkshire,

Postcode: RG1 8DB

Telephone: 0118 952 0500

Email: ThamesWaterPlanningPolicy@savills.com

PART B – Your representation

3. Please tick the document that you would like to make a representation on:

- Crawley submission Local Plan
- Crawley submission Local Plan Map
- Crawley submission Sustainability Appraisal
- Habitats Regulation Assessment Screening Report

4. Which part of the Local Plan does this representation relate to?

Paragraph: Policy: IN2: The Location and Provision of New Infrastructure
 Other:

5. Do you consider the Local Plan to be: *(Please tick)*

- | | | |
|---|------------------------------|--|
| 5.1. Legally compliant? | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| 5.2. Sound? | Yes <input type="checkbox"/> | No <input checked="" type="checkbox"/> |
| 5.3. Compliant with the duty to co-operate? | Yes <input type="checkbox"/> | No <input type="checkbox"/> |

6. Please give details explaining your response to 5.1, 5.2, or 5.3 below. Please be as clear as possible.

Local Plans should consider the requirements of the water companies for land to enable them to meet the demands that will be placed upon them as recognised in paragraph 8.10 This is necessary because it will not be possible to identify all the water and wastewater/sewerage infrastructure required over the plan period due to the way water companies are regulated and plan in 5 year periods (AMPs). Thames Water are currently in the AMP6 period which runs from 1st April 2015 to 31st March 2020 and does not therefore cover the whole Local Plan period. AMP7 will cover the period from 1st April 2020 to 31st March 2025.

If required, please continue your response on an additional piece of paper and securely attach it to this response

- 7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.**

Addition to Policy IN2: “The development or expansion of waste water facilities will normally be permitted, either where needed to serve existing or proposed development in accordance with the provisions of the Development Plan, or in the interests of long term waste water management, provided that the need for such facilities outweighs any adverse land use or environmental impact that any such adverse impact is minimised.”

If required, please continue your response on an additional piece of paper and securely attach it to this response

*Your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations. **After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues s/he identifies for examination.***

8. If your representation is seeking a modification, do you consider it necessary to participate in the public examination hearings? (Please tick)

No, I do not wish to participate in the examination hearings

Yes, I wish to participate in the examination hearings

9. If you wish to participate in the public examination hearings, please outline why you consider this to be necessary:

The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the public examination.

If you would like to make a representation on another policy or part of the Local Plan then please complete a separate PART B section of the form or securely attach an additional piece of paper. PART B – Your representation

Please fill in a separate sheet for each representation you wish to make. You may submit multiple "PART B" sections with a single "PART A" completed.

PART A – Personal details

Please ensure that you complete all fields in 1. If a planning agent is appointed, please enter the Title, Name and Organisation in 1, and complete the full contact details of the agent in 2.

1. Personal details

Title:	<input type="text"/>
First name:	<input type="text"/>
Surname:	<input type="text"/>
Organisation:	<input type="text" value="Thames Water Utilities Limited"/>
Address line 1:	<input type="text" value="Clearwater Court,"/>

2. Agent's details

<input type="text"/>

Address line 2: Vastern Road, [redacted]

Town/city: Reading, Berkshire, [redacted]

Postcode: RG1 8DB [redacted]

Telephone: 0118 952 0500 [redacted]

Email: ThamesWaterPlanningPolicy@savills.com [redacted]

PART B – Your representation

3. Please tick the document that you would like to make a representation on:

- Crawley submission Local Plan
- Crawley submission Local Plan Map
- Crawley submission Sustainability Appraisal
- Habitats Regulation Assessment Screening Report

4. Which part of the Local Plan does this representation relate to?

Paragraph: [redacted] Policy: EP1: Development and Flood Risk
 Other: [redacted]

5. Do you consider the Local Plan to be: (Please tick)

- | | | |
|---|---|-----------------------------|
| 5.1. Legally compliant? | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| 5.2. Sound? | Yes <input checked="" type="checkbox"/> | No <input type="checkbox"/> |
| 5.3. Compliant with the duty to co-operate? | Yes <input type="checkbox"/> | No <input type="checkbox"/> |

6. Please give details explaining your response to 5.1, 5.2, or 5.3 below. Please be as clear as possible.

We support Policy EP1 part iv) in particular as this is in line with our previous representations.

With regard to surface water drainage it is the responsibility of the developer to make proper provision for drainage to ground, watercourses or surface water sewer. It is important to reduce the quantity of surface water entering the sewerage system in order to maximise the capacity for foul sewage to reduce the risk of sewer flooding.

Limiting the opportunity for surface water entering the foul and combined sewer networks is of critical importance to Thames Water. Thames Water have advocated an approach to SuDS that limits as far as possible the volume of and rate at which surface water enters the public sewer system. By doing this, SuDS have the potential to play an important role in helping to ensure the sewerage network has the capacity to cater for population growth and the effects of climate change.

SuDS not only help to mitigate flooding, they can also help to: improve water quality; provide opportunities for water efficiency; provide enhanced landscape and visual features; support wildlife; and provide amenity and recreational benefits. We therefore also support Policy EP1 part iii) in particular.

In relation to flood risk, the National Planning Practice Guidance (NPPG) states that a sequential approach should be used by local planning authorities in areas known to be at risk from forms of flooding other than from river and sea, which includes "Flooding from Sewers".

When reviewing development and flood risk it is important to recognise that water and/or sewerage infrastructure may be required to be developed in flood risk areas. By their very nature water and sewage treatment works are located close or adjacent to rivers (to abstract water for treatment and supply or to discharge treated effluent). It is likely that these existing works will need to be upgraded or extended to provide the increase in treatment capacity required to service new development. Flood risk sustainability objectives should therefore accept that water and sewerage infrastructure development may be necessary in flood risk areas.

Flood risk policies should also make reference to 'sewer flooding' and an acceptance that flooding can occur away from the flood plain as a result of development where off site sewerage infrastructure and capacity is not in place ahead of development.

If required, please continue your response on an additional piece of paper and securely attach it to this response

- 7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.**

If required, please continue your response on an additional piece of paper and securely attach it to this response

*Your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations. **After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues s/he identifies for examination.***

8. If your representation is seeking a modification, do you consider it necessary to participate in the public examination hearings? (Please tick)

No, I do not wish to participate in the examination hearings

Yes, I wish to participate in the examination hearings

9. If you wish to participate in the public examination hearings, please outline why you consider this to be necessary:

The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the public examination.

4. Which part of the Local Plan does this representation relate to?

Paragraph:	5.37 & 5.44	Policy:		Other:	
------------	-------------	---------	--	--------	--

5. Do you consider the Local Plan to be: *(Please tick)*

- | | | | | |
|---|-----|-------------------------------------|----|--------------------------|
| 5.1. Legally compliant? | Yes | <input type="checkbox"/> | No | <input type="checkbox"/> |
| 5.2. Sound? | Yes | <input checked="" type="checkbox"/> | No | <input type="checkbox"/> |
| 5.3. Compliant with the duty to co-operate? | Yes | <input type="checkbox"/> | No | <input type="checkbox"/> |

6. Please give details explaining your response to 5.1, 5.2, or 5.3 below. Please be as clear as possible.

We support the reference to taking account of existing sewerage and water infrastructure when planting trees. Thames Water recognises the environmental benefits of trees and encourages the planting of them. However, the indiscriminate planting of trees and shrubs can cause serious damage to the public sewerage system and water supply infrastructure. In order for the public sewers and water supply network to operate satisfactorily, trees, and shrubs should not be planted over the route of the sewers or water pipes.

If required, please continue your response on an additional piece of paper and securely attach it to this response

- 7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.**

PART B – Your representation

Please fill in a separate sheet for each representation you wish to make. You may submit multiple "PART B" sections with a single "PART A" completed.

PART A – Personal details

Please ensure that you complete all fields in 1. If a planning agent is appointed, please enter the Title, Name and Organisation in 1, and complete the full contact details of the agent in 2.

1. Personal details

Title:	<input type="text"/>
First name:	<input type="text"/>
Surname:	<input type="text"/>
Organisation:	<input type="text" value="Thames Water Utilities Limited"/>
Address line 1:	<input type="text" value="Clearwater Court,"/>

2. Agent's details

<input type="text"/>

Address line 2: Vastern Road, [redacted]

Town/city: Reading, Berkshire, [redacted]

Postcode: RG1 8DB [redacted]

Telephone: 0118 952 0500 [redacted]

Email: ThamesWaterPlanningPolicy@savills.com [redacted]

PART B – Your representation

3. Please tick the document that you would like to make a representation on:

- Crawley submission Local Plan
- Crawley submission Local Plan Map
- Crawley submission Sustainability Appraisal
- Habitats Regulation Assessment Screening Report

4. Which part of the Local Plan does this representation relate to?

Paragraph: [redacted] Policy: H2: Key Housing Sites Other: [redacted]

5. Do you consider the Local Plan to be: (Please tick)

- 5.1. Legally compliant? Yes No
- 5.2. Sound? Yes No
- 5.3. Compliant with the duty to co-operate? Yes No

6. Please give details explaining your response to 5.1, 5.2, or 5.3 below. Please be as clear as possible.

The information contained within the new Local Plan will be of significant value to Thames Water as we prepare for the provision of future infrastructure.

The attached table provides Thames Water’s site specific comments from desktop assessments on sewerage/waste water network and waste water treatment infrastructure in relation to the proposed sites. We are also engaged in the Gatwick water cycle study. More detailed comments will follow / supersede these in the Gatwick water cycle study.

Early engagement between the developers and Thames Water would be beneficial to understand:

- What drainage requirements are required on and off site
- Clarity on what loading/flow from the development is anticipated

As recognised at Paragraph 8.10 of the draft Local Plan, it should be noted that in the event of an upgrade to our sewerage network assets being required, up to three years lead in time is usual to enable for the planning and delivery of the upgrade. As a developer has the automatic right to connect to our sewer network under the Water Industry Act we may also request a drainage planning condition if a network upgrade is required to ensure the infrastructure is in place ahead of occupation of the development. This will avoid adverse environmental impacts such as sewer flooding and / or water pollution. Waste-water/Sewage Treatment Works upgrades take longer to design and build. Implementing new technologies and the construction of a major treatment works extension or new treatment works could take up to ten years to plan, design, obtain approvals and build.

If required, please continue your response on an additional piece of paper and securely attach it to this response

- 7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.**

Need to make reference to any site specific sewerage/wastewater infrastructure concerns.

If required, please continue your response on an additional piece of paper and securely attach it to this response

*Your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations. **After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues s/he identifies for examination.***

8. If your representation is seeking a modification, do you consider it necessary to participate in the public examination hearings? (Please tick)

No, I do not wish to participate in the examination hearings

Yes, I wish to participate in the examination hearings

9. If you wish to participate in the public examination hearings, please outline why you consider this to be necessary:

The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the public examination.

If you would like to make a representation on another policy or part of the Local Plan then please complete a separate PART B section of the form or securely attach an additional piece of paper. Crawley Submission draft Local Plan Representation

Please return your completed representation form to Crawley Borough Council
by 5pm on 2 March 2020.

Representations can be made via this form and emailed to forward.planning@crawley.gov.uk or sent via post to: Local Plan Consultation, Strategic Planning, Crawley Borough Council, Town Hall, The Boulevard, Crawley, RH10 1UZ. Alternatively, representations can be made online using the [eform](#) which allows attachments of documents.

This form has two parts:

PART A – Personal details

By law, representations cannot be made anonymously. All representations will be published alongside your name, company name (if applicable), and your client's name/company (if applicable). The Council will use the information you submit to assist with formulating planning policy.

Further information about Data Protection Rights in line with the provisions of the General Data Protection Regulations and Data Protection Act 2018, for example, how to contact the Data Protection Officer, how long information is held or how we process your personal information can be found at www.crawley.gov.uk/privacy. Specific reference to the Local Plan and planning policy related public consultation can be found on: www.crawley.gov.uk/pw/web/PUB351893

PART B – Your representation

Please fill in a separate sheet for each representation you wish to make. You may submit multiple "PART B" sections with a single "PART A" completed.

PART A – Personal details

Please ensure that you complete all fields in 1. If a planning agent is appointed, please enter the Title, Name and Organisation in 1, and complete the full contact details of the agent in 2.

1. Personal details

Title:	<input type="text"/>
First name:	<input type="text"/>
Surname:	<input type="text"/>
Organisation:	<input type="text" value="Thames Water Utilities Limited"/>
Address line 1:	<input type="text" value="Clearwater Court,"/>

2. Agent's details

<input type="text"/>

Address line 2: Vastern Road,

Town/city: Reading, Berkshire,

Postcode: RG1 8DB

Telephone: 0118 952 0500

Email: ThamesWaterPlanningPolicy@savills.com

PART B – Your representation

3. Please tick the document that you would like to make a representation on:

- Crawley submission Local Plan
- Crawley submission Local Plan Map
- Crawley submission Sustainability Appraisal
- Habitats Regulation Assessment Screening Report

4. Which part of the Local Plan does this representation relate to?

Paragraph: Policy: GAT1: Development of the Airport with a Single Runway
 Other:

5. Do you consider the Local Plan to be: *(Please tick)*

- | | | |
|---|------------------------------|--|
| 5.1. Legally compliant? | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| 5.2. Sound? | Yes <input type="checkbox"/> | No <input checked="" type="checkbox"/> |
| 5.3. Compliant with the duty to co-operate? | Yes <input type="checkbox"/> | No <input type="checkbox"/> |

6. Please give details explaining your response to 5.1, 5.2, or 5.3 below. Please be as clear as possible.

We support the deletion the Gatwick Airport Safeguarded Land policy.

The previous safeguarded area includes Thames Water’s Crawley Sewage Works and therefore provided uncertainty in relation to future upgrades at the sewage works.

There are currently no approved plans for an additional runway at Gatwick Airport and this does not form part of the Government’s Aviation Strategy and therefore we agree the safeguarding should be removed.

Where any proposed development is within 800m of Crawley Sewage Works, the developer or local authority should liaise with Thames Water to consider whether an odour impact assessment is required as part of the promotion of the site and potential planning application submission. The odour impact assessment would determine whether the proposed development would result in adverse amenity impact for new occupiers, as those new occupiers would be located in closer proximity to a sewage treatment works.

Paragraph 170 of the NPPF, February 2019, sets out that: “Planning policies and decisions should contribute to and enhance the natural and local environment by:e) preventing new and existing development from contributing to, being put at unacceptable risk from, or being adversely affected by, unacceptable levels of soil, air, water or noise pollution or land instability. Development should, wherever possible, help to improve local environmental conditions such as air and water quality, taking into account relevant information such as river basin management plans...”

Paragraph 180 goes on to state: “Planning policies and decisions should also ensure that new development is appropriate for its location taking into account the likely effects (including cumulative effects) of pollution on health, living conditions and the natural environment, as well as the potential sensitivity of the site or the wider area to impacts that could arise from the development...”

The odour impact study would establish whether new resident’s amenity will be adversely affected by the sewage works and it would set the evidence to establish an appropriate amenity buffer. On this basis, text similar to the following should be incorporated into the Neighbourhood Plan: “When considering sensitive development, such as residential uses, close to the Sewage Treatment Works, a technical assessment should be undertaken by the developer or by the Council. The technical assessment should be undertaken in consultation with Thames Water. The technical assessment should confirm that either: (a) there is no adverse amenity impact on future occupiers of the proposed development or; (b) the development can be conditioned and mitigated to ensure that any potential for adverse amenity impact is avoided.”

If required, please continue your response on an additional piece of paper and securely attach it to this response

- 7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.**

Need to take account of potential odour from Crawley Sewage Works in relation to any odour sensitive development proposals within 800m.

If required, please continue your response on an additional piece of paper and securely attach it to this response

*Your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations. **After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues s/he identifies for examination.***

8. If your representation is seeking a modification, do you consider it necessary to participate in the public examination hearings? (Please tick)

No, I do not wish to participate in the examination hearings

Yes, I wish to participate in the examination hearings

9. If you wish to participate in the public examination hearings, please outline why you consider this to be necessary:

The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the public examination.

If you would like to make a representation on another policy or part of the Local Plan then please complete a separate PART B section of the form or securely attach an additional piece of paper. Copies of the representation form can also be downloaded from the council's website at: www.crawley.gov.uk/crawley2035
