6. Please give details explaining your response to 5.1, 5.2, or 5.3 below. Please be as clear as possible.

Not keen on the local plan EC4 -concerned about the deterioration to the local environment caused by the 'industrialisation go the green field sites.

No clear detailed indication of how extensive the use of the ear-marked area will be despite the good intentions conveyed in the strategic planning letter distributed dated 6 January 2021. My wish is to retain the present environment as it is: and not clear that all the available space elsewhere in the Crawley area has yet been utilised. I must also express concern over the potential loss of value in my property.

If required, please continue your response on an additional piece of paper and securely attach it to this response

7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.

Modifications not pertinent at this time as no details regarding use of the area are available. It is possible that the developer has not yet submitted plans for CBC to consider that there comply to the sentiments expressed in the announcement letter of 6 January 2021.

If required, please continue your response on an additional piece of paper and securely attach it to this response

Your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested modification, as there will not normally be a subsequent opportunity to make further representations. After this stage, further submissions will only be at the request of the Inspector, based on the matters and issues s/he identifies for examination.

8. If your representation is seeking a modification, do you consider it necessary to participate in the public examination hearings? (Please tick)

No, I do not wish to participate in the examination hearings

Yes, I wish to participate in the examination hearings

9. If you wish to participate in the public examination hearings, please outline why you consider this to be necessary:

To have the opportunity to raise my concerns.

The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the public examination.

If you would like to make a representation on another policy or part of the Local Plan then please complete a separate PART B section of the form or securely attach an additional piece of paper. Copies of the representation form can also be downloaded from the council's website at: www.crawley.gov.uk/localplanreview
