Dear sir

I am writing to object to the above development, not only will we see a further increase in traffic on Sullivan Drive ( there has been a noticeable increase since the Kilnwood Vale development) i would like to point out

- . The damage to the wild life and environment in that area.
- . The further reduction in our natural park and safe open space area.
- . Infringement of people's privacy with flats overlooking their homes and gardens
- . Extra burden on our doctors, schools etc.

The slow but continued elimination of areas for people to walk and take exercise safely must stop. I understand that people need homes, but there has to be a better way of doing this.

Yours sincerely
