6. Please give details explaining your response to 5.1, 5.2, or 5.3 below. Please be as clear as possible.

I think the Ifield Brook and Ifield Golf Club is the wrong place to build the monstrosity of Flats and Houses. Ruining natural areas of Crawley, pushing out nature and wildlife animals, foxes, rabbits, birds, deers etc.

Protect green spaces, historic trees and natural bluebells, from the housing development. This area could potentially flood has done in the past. People need areas to exercise, walk dogs, golfing, for peoples mental health the area should be protected. We should produce food in britain. The roads aren't fit for purpose and congested roads and block up our area at work

times with 20k+ people living in these houses would create.

Burden on Crawley and clog up this area, burden on Crawley amenities such as hospitals are over stretched, Schools over subscribed, doctors are at breaking point, some people are struggling to get a dentist. These people will be a burden Crawley town. Not all developments have had their houses sold like Kilnwood and Forgewood. Crawley will end up like concrete Rome, terrible with coronavirus people living on top of each other we need a few green spaces. Half the time developments promise things but don't deliver.

If required, please continue your response on an additional piece of paper and securely attach it to this response

- 7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.**

Please re-exam the Housing development.

We already have Kilnwood vales development close by building on Ifields side. I think Horsham Council should build elsewhere!
