### PART B Your representation

Which document would you like to make a representation on? Crawley submissions on Local Plan Map

Which part of the Local Plan does this representation relate to? Other

Please give details.  
A garage own and the and t s ts on are shown as part of a - and therefore and w th n the conservat on area. The and s not accessed from Haze w ck road - but rather through counc garages from The B rches - not part of the conservat on area. I wou d ke the oca map to ref ect that our pr vate garage s accessed and n the same category as the counc owned garages. And not part of the conservat on area. We donâ€™t ve at and have no connect on w th the home owners there. The garage s reg stered as our property and separate.

Legally compliant? No

Sound? No

Compliant with the duty to co-operate? No

Please give details explaining your response.  
The garage that we own s accessed from The B rches and not Haze w ck Road. It s under separate t te and we have no connect on w th . We wou d ke the boundary of the conservat on area to ref ect that our garage s not V ctor an n nature and was bu t n 2000 n amongst 1950s counc garages

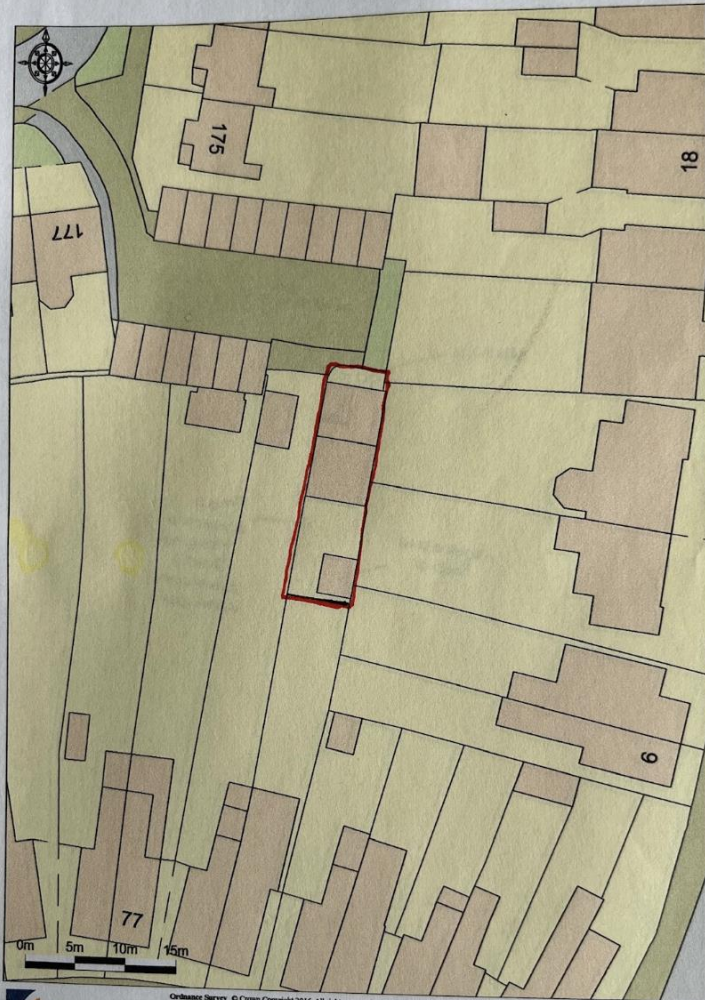

Please set out what modification(s) you consider necessary to resolve the issues you have identified above.  
P ease can you ref ect th s n the boundary ne for the conservat on area. The boundary for our garage and the separat on from the garden s dent fed on the map - as t s on and reg stry - but t s nc uded n the conservat on area - even though t s not accessed from Haze w ck road - but The B rches - And not at a part of any V ctor an street scene.

If your representation is seeking a modification, do you consider it necessary to participate in the public examination hearings? No, I do not w sh to part c pate n the exam nat on hear ngs
