In reference to Strategic Housing Land Availability Assessment document, I am writing to object your assessment of choosing the Land " Site Reference 25 - Tinsley Lane Playing Fields", suitable for development. This land has been used for sports facilities many years, and number of teams take part in sports activities regularly. It is notable children and adults take part in sports activities in this playing field, if this land will be used for development, the teams will be impacted, the reason the teams have been using this playing field because they have not been able to find other suitable facilities. It is very important to consider health & wellbeing of these children and adults, recreational sports activities help them to be active, and keep them away from unsociable activities. Also, please note the residents in the neighbourhood raised concerns in regard to use of this land for development when planning permission was submitted by the developer, and the permission was rejected overwhelmingly because of several factors that undermine the neighbourhood including providing access to the land. My recommendation is that all those comments raised against the planning application must be taken into consideration.

In conclusion, this land under site reference 25 - Tinsley Lane Playing Fields must be protected for sports recreational activities for the health and wellbeing of the local communities.

- 7. Please set out what modification(s) you consider necessary to resolve the issues you have identified above. You need to state why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to suggest how the wording of any policy or text should be revised. Please be as clear as possible. Any non-compliance with the duty to co-operate is incapable of modification at examination.**

8. **If your representation is seeking a modification, do you consider it necessary to participate in the public examination hearings? (Please tick)**

No, I do not wish to participate in the examination hearings

Yes, I wish to participate in the examination hearings

9. **If you wish to participate in the public examination hearings, please outline why you consider this to be necessary:**

The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the public examination.
