Dear Sirs,

Please find below Slaugham Parish Council's response to the Crawley Borough Local Plan Consultation.

Slaugham Parish Council (SPC) are situated in the District of Mid Sussex in an Area of Outstanding Natural Beauty.

The Slaugham Neighbourhood Plan was made in 2019 and is up to date.
<https://www.midsussex.gov.uk/media/4465/slaugham-neighbourhood-plan.pdf>

The District Council advised SPC that the required minimum provision at Pease Pottage (*Slaugham Parish*) is significantly greater than other settlements within Category 3 due to the strategic allocation for 600 homes, in addition to the housing already taken within the Parish during the plan period. This meant that the other settlements within the Parish (Handcross, Slaugham and Warninglid) will not be required to identify further growth. This site is meeting unmet need of Crawley Borough along with developer infrastructure monies allocated to assets such as K2, so outside of the District/Parish that took the development.

As part of the preparation of the SNP, and prior to the adoption of the MSDP, SPC undertook a Housing Needs Consideration Assessment. This applied different methodologies to calculate housing need, reliant upon data from a variety of sources. The Assessment provided a range of housing figures for growth of the Parish over the Plan period. Noting the results of the Assessment, and the position of the District housing need, which at the time was following an upward trajectory, SPC resolved to consider whether further, modest growth should be facilitated in the SNP.

Having regard to the areas already mentioned, the relative scale and sustainability of the Parish's four settlements, the then emerging district plan and housing requirement pressure from central government, alongside the aspirations set out in the SNP the Parish Council resolved to positively make housing provision for further growth and that this is facilitated in the SNP to a small scale site in Handcross.

With this evidence the additional measures taken by SPC to prevent unwanted spatial development they have gone beyond what was required to safeguard the Parish.

We there cannot take any further housing requests for any future unmet need.

Regards

Sally
Clerk & Proper Officer to Slaugham Parish Council
